

find the right piece

Answer:

2

Edublox Online Tutor offers multisensory cognitive training that enables learners to overcome learning obstacles and reach their full potential. Our programs are founded on pedagogical research and more than three decades of experience demonstrating that weak underlying cognitive skills account for the majority of learning difficulties. Specific brain-training exercises can strengthen these weaknesses leading to increased performance in reading, spelling, writing, math and learning. **Learn more at www.edubloxtutor.com**
